Hotdog on the slopes with a frontside 540, blast through the streets on your board, or tear up the trails on your mountainbike. You choose – this is your chance to be cosmic – or have your worst day.

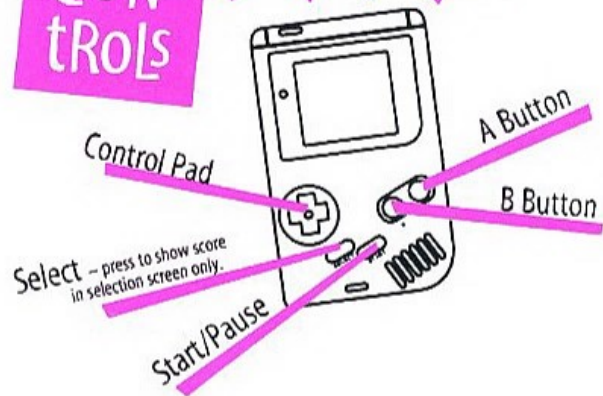

So, whatta ya waitin' for? Let's jam!

Gettin' Started

the Events

Choose which sport you want to play here ...

Each sport has two events:

Snow-board

Skate-board

Mountain Bike racing

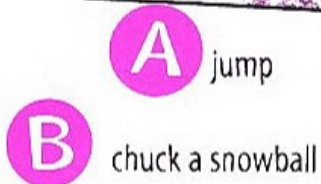

Or go for the Ultimate Triple Dare: the Triathlon, where you'd better be a **hotshot** at everything! The better you get at the events, the hairier they get! So check those pads and hang on!

Grab your board and get ready to shred some serious slope! Get to the bottom before time runs out or pick up cones on slalom runs. Watch for a hidden trail!

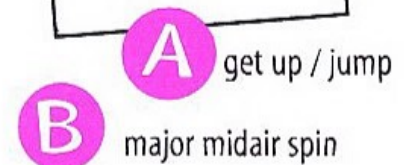

Downhill Controls:

Choose your footing: Regular (press left to go right) or Goofy (press left to go left).

Trash Thrash: Jump over litter or do a face plant.

HINT: To spin, press & hold left or right while in air. To spin faster, hold B. You must score at least 3,000 points to advance to the next round.

Trainin' Tips

Becoming a HotShot is more than just cuttin' a bunch of blazin' moves; real athletes play it **cool** on a new course until they learn their way around and can do it right. Pullin' tricks comes with time and

experience. If you can't blow the judges away on your first round, don't sweat it – nobody can. Take your time to scope out a course and find out the best ways to rake in the points (or just to make it without biffing). With a little effort, you'll be smokin' the best of 'em, HotShot!
